

RGB Mileage User Guide

Version 2.1.1 - 2026-06-05

Home Screen

- Tap the vehicle circle to open Quick Fuel Entry.
- Long press the vehicle circle to open View Vehicle.
- Use Settings to swap vehicle circle order.

Quick Entry

- Fuel, Maintenance, and Insurance quick entry screens include Clear & Exit.
- Station and Maintenance Category support Other workflows where applicable.

Reports

- Reports opens a report menu, not just dashboard counts.
- Available reports include Fuel, MPG, Maintenance, Insurance, and Vehicle Summary.

Backup and Restore

- Use Data Management to create a JSON backup.
- Restore replaces local data after confirmation.
