

RGB Mileage User Guide

Version 2.0.10 - 2026-06-04

Quick Fuel Entry

- Date and Time automatically populate when the screen opens.
- Date and Time are editable so older fuel stops can be entered.
- Previous Entries appears at the bottom and can be collapsed.

Previous Entries

- Each previous fuel entry is listed for the selected vehicle.
- Each entry includes Edit and Delete controls.
- If a Miles update is accepted, MPG recalculates automatically.
